Pacifica® is Australia's most popular heavy duty fabric for indoor and outdoor commercial applications. Specifically designed to perform in harsh environments, Pacifica® fabrics possess superior technical advantages, enabling the fabric to withstand extreme conditions. Fabric specifications surpass industry expectations for longevity, UV stability, fire retardancy, stain resistance and anti-mould and mildew protection. A brilliant colour palette of 42 shades embracing classic and modern themes provides specifiers and designers unlimited creative scope for diverse upholstery applications.
